GOALS

Short-Term Goals (1-3 Years)

1. Curriculum Enhancement & Practical Learning
   - Ensure hands-on training in brick masonry, plumbing, carpentry, and electrical services.
   - Organize model-making workshops using clay, wood, and paper.
   - Introduce basic drafting software (AutoCAD, SketchUp, Revit - student versions).
2. Industry Exposure & Site Learning
   - Conduct at least two industrial/site visits per semester (e.g., construction sites, material factories, or live projects).
   - Arrange guest lectures from local architects, site engineers, and contractors.
   - Make market surveys of construction materials a part of coursework.
3. Student Engagement & Skill Development
   - Form a Design Club where students work on small-scale design challenges.
   - Encourage participation in local architecture competitions or model exhibitions.
   - Introduce soft skills & communication training in the language lab for professional growth.
4. Basic Sustainable Initiatives
   - Implement waste material reuse projects for design models.
   - Organize green building awareness sessions.
   - Introduce rainwater harvesting models in practical coursework.
5. Strengthen Faculty & Teaching-Learning Process
   - Arrange faculty training on digital tools used in diploma-level architecture.
   - Develop standardized teaching materials, rubrics, and model question papers.

Long-Term Goals (5+ Years)

1. Accreditation & Recognition
   - Work towards approvals and accreditations.
   - Establish a recognized identity in the region for diploma-level architectural education.
2. Infrastructure & Facilities Development
   - Set up a small-scale construction yard for practical experiments.
   - Develop a digital learning lab with architecture-related software.
   - Expand the model-making workshop with advanced tools and materials.
3. Industry & Alumni Network Development
   - Create a database of alumni and maintain professional connections.
   - Establish a MoU (Memorandum of Understanding) with local construction firms
   - for internships.Organize an annual industry interaction event for diploma students.
4. Community-Centered Learning
   - Encourage students to take up live small-scale projects such as designing local bus stops, signage, or community spaces.
   - Conduct documentation of local heritage structures.
5. Enhancing Placement & Higher Education Prospects
   - Offer career guidance for students to pursue higher education (B. Arch, interior design, or construction management).
   - Improve tie-ups with architectural firms for better job placements
