6.3: Faculty Empowerment Strategy

6.3.3.1: The institution has a performance appraisal system, effective welfare measures for teaching and non-teaching staff, and avenues for career development/progression

- SSSM's COA believes in faculty empowerment which is a crucial aspect in academics. We have well-trained and motivated faculty members who are continuously working on the transformation of students and their future.
- Empowered faculty members are providing high-quality education, and mentorship to students, and contribute to research and innovation in their respective subjects.
- Continuous Professional Development (CPD): SSSM's promotes continuous professional development for faculty members through various means, including workshops, seminars, conferences, and online courses QIP, Training Programmes organized by COA and University.
- Faculty members are encouraged to stay updated with the latest developments in their fields and pedagogical practices to enhance their teaching and research capabilities.
- SSSM's also promotes faculty to practice and do consultancy to improve their teaching abilities and professional knowledge
- Assessment and Feedback: Regular feedback from students and peers are used to assess faculty performance and to identify areas for improvement.
- Technology Integration: Faculty members are encouraged to integrate technology into their teaching and research. The use of digital resources and online platforms to enhance the learning experience.
- Mentoring and Peer Learning: Our college established mentorship programs where senior faculty members guide and support junior colleagues and visiting faculty. Peer learning and collaboration among faculty members are also encouraged.
